ABOUT ABSEC

AbSec (NSW Child, Family and Community Peak Aboriginal Corporation) is the peak Aboriginal organisation in the NSW child and family welfare sector. We provide an Aboriginal perspective on child protection and out-of-home care policy to the NSW Government, and support the Aboriginal community-controlled sector to deliver effective services for Aboriginal children and families. We are a not-for-profit, incorporated community organisation, governed by an all-Aboriginal board.

We recently established AbSec Learning and Development Centre (AbSec LDC), a subsidiary organisation and registered training organisation. AbSec LDC is the only registered training organisation in NSW owned and managed by Aboriginal people in the child and family support sector, offering recognised qualifications in disability support, family welfare and child protection, as well as governance, leadership and management.
